Would you like to learn how to play 25s? Or could you help us to explain the game?

Are you interested in learning how to play 25s? Or just want to play in a relaxed environment ? We are again starting an informal (and fun) group where those who have little or no knowledge of the game can learn or practice the basics. Please contact me if you would like to take part. (And there's no need to be afraid of making a mistake!) Why not try it for one night? Cost is €3 per session which goes towards the running of the Centre.

Also we welcome people with a basic understanding of the rules to help us out! If you can, please let us know. This will be a very casual get together so do make the effort to get involved! Phone: [086 341 6330](tel:0863416330)
