150th Jubilee of Killasser Church 2018

Church Jubilee

The enhancement works to the grounds of Killasser church are progressing very well. To help with the cost of this project we are asking each household and wage-earner to contribute to a special collection. Envelopes for this purpose are now available in the two churches. Please pick up your set of envelopes and return your contribution with the offertory collection each month. A letter outlining the improvements proposed as well as the events planned through the year accompanies the envelopes. We trust that the work so far meets with your approval and we thank you sincerely for your support. If there are others who would like to contribute please ask Fr John or any member of the committee for a set of envelopes.
